#### Description

PHX GPro Series Adult Goggles - CX Race Edition - Gloss Black. PHX GPro goggles offer renown quality and unbeatable value. Constructed from highly durable and flexible resins these goggles also come equipped with the highest quality and longest strap in the market, making sure that the goggles can be worn around the biggest heads and the largest of helmets. Assembled with a high-tech blend of non-toxic, non-soluble adhesives these goggles will last the test of time. The CX Race Edition goggles come equipped with triple wave anti-slip silicone linings, tri-layer foam technology, tear-off posts and include a 10 pack of PHX competition grade tear-off lens covers with every purchase. PHX CX edition goggles are truly the industry leaders with Italian-made double layered and thermally fused lenses, which is both scratch resistant and moisture resistant. PHX Gpro CX edition goggles provide the world's best line of sight, whether day or night, sunny or overcast, rain or snow.
